Due to the absence of the 3rd place time in this relay event in the FINA World Rankings there will be an automatic consideration of nomination of an NZL Relay in these event. This will be a composite time of the fastest athletes as per the Criteria in section 4.3 (b)

The SNZ Selection Panel will only nominate a relay team if they are satisfied are capable of achieving a Top 3 placing at the Games (Nomination Criteria 4.2b)

IMPORTANT NOTES:

These are nomination times only, the team will be selected by NZOC on the basis of its own policy including criteria 3.6.2 that "a group of athletes competing in a Team Event wishing to be selected for the Games Team must demonstrate to the NZOC's satisfaction that the group of nominated athletes is capable of achieving a top 3 placing in the Games and have a track record of sufficient quality and depth that the NZOC believes demonstrates the group of nominated athletes will be competitive at the Games and will perform creditably in that Team Event."

Nomination does not mean Selection. Selection is done by the NZOC within 7 days of the Nomination Date.

All athletes will be communicated with upon nomination to the NZOC
