

Swimming New Zealand Invitation for Next Generation Coaches

Do you demand excellence of yourself?

Are you driven and capable of succeeding?

Do you want to be part of the Next Generation Coaches Programme?

If you would like to be part of the programme here is your opportunity.

We are inviting coaches to apply to join this group of coaches who have the passion to excel in the future and be willing to partake in the following:

1. Spend a week on pool deck with one of our carded coaches.
2. Provide a professional development plan for ongoing skill development
3. Be part of coaches forums run by Swimming New Zealand

This is a great opportunity for you and with Swimming New Zealand's coaching team we look forward to developing the next generation coaches.

The programme will start in July and a calendar of events will be sent to those coaches who get selected to be part of the group.
