What is your favourite motto?

Whatever you do, do it to the best of your ability.

If you could play another sport what would it be?

I would love to go back and dance as I previously did it for 8 years.

Who or what inspires you and why?

I get inspired by the children I teach learn to swim to because in the future they are going to make up the swimming world that I am in now and I try my best to be a good example for them and always try my best to create a good environment for them in the future.
