

AUT University

AUT supports athletes with an athlete support advisor to assist athletes to combine sporting goals with education, career and other life aspirations. This is to encourage athletes to succeed both on and off the sporting stage.

- Athletes at AUT are teamed up with an Athlete Support Advisor. Athletes are offered support on:
- Career planning and development for athletes
- Assistance when arranging time off from studies because of sporting commitments
- Advice with setting goals for study, sport and life balance
- Employment information and tips
- Referral to other AUT services particularly AUT Student Support Services
- Referral to external agencies
- Advice on time management and educational guidance

Athlete support is available to AUT Significant Student Scholarship and Vice-Chancellor Scholarship students, industry sports scholarship recipients, prime minister scholarship recipients, NZAS-carded athletes and general student athletes who compete at a high level for their region or country.

Courses of Study

AUT covers all major courses – Law, Business, Engineering, Communications, Health Science and Sport and Recreation etc. – their key courses which directly attract students are Physiotherapy and their Communications Degree is rated number one in New Zealand
