

# Victoria University

A Victoria degree is a world-class degree. Our reputation attracts the very best staff and students from around the world. Come and be part of a truly international community right in the heart of our thriving capital city. Victoria University is committed to supporting both High Performance Sport New Zealand Carded and non-carded athletes. Supportive general and academic staff are available and committed to helping students balance their sporting and academic commitments

## Courses of Study

Based in our capital city, Wellington, Victoria offers a diverse range of qualifications and study options to help you get to know your mind. Offering courses from Architectural Studies to Commerce, Law to Science, there are courses for everyone whatever their educational pursuits may entail.

## Scholarships Available for Athletes

Students can access to the Student Sponsorship Funding (for extracurricular/sporting/competition related costs).

The [Scholarships database](#) is a comprehensive list of scholarships available to existing or potential Victoria University students. Application forms and regulations for scholarships administered by the University and a list of scholarships offered over the next 12 months can be downloaded from the database.

## Facilities Available to Athletes

Victoria has sixteen different [venues and spaces](#) that the university community and members of the public can hire for their recreational pursuits. Rackets, balls, bibs and other general recreation equipment are also available to hire from the Recreation Services team. The Recreation Services team offers a range of fitness services including [fitness assessments](#), [fitness programmes](#) and [personal training](#) to help you reach your fitness goals.

## Contact Information

Students can email [Karl.Whalen@vuw.ac.nz](mailto:Karl.Whalen@vuw.ac.nz) for more information
