Lyn Sutherland
Sandra Holden (Events Manager)

Correspondence:

Counties Manakau Letter: Regarding the appointment of the National Examiner. Jo Davidson to respond in writing outlining the procedure that the committee undertook for appointing the examiners.

2004 Meet Reports

International Trials Meet Directors Report

Chris Groothoff tabled his Meet Directors Report for the International Trials.

The main issue at this meet was the first session when the electronic timing equipment malfunctioned. This was most unsatisfactory, however, the equipment was fixed for the remaining sessions.

Recommendation is for a letter to be forwarded to Auckland Swimming Association advising that the Technical Committee were disappointed that this happened and requesting that they take steps to ensure that this does not happen at future national meets.

There was also a letter tabled by HBPB team manager with regards to a referees decision. Jo Davidson to respond in writing to this.

Meeting Closed 8:15 pm

Next Meeting: Face to Face in Wellington November 13 and 14 November 2004
